

Lake and Stream Ecology and Water Quality Workshop

July 22 to July 24, 2025
Enemy Swim Lake
Waubay, SD

Do you work with surface water resources?

Do you teach middle or high school science classes?

Do you own lake property?

Do you care about South Dakota's lakes, rivers, and streams?

If yes, you need to attend this workshop!!

What will you learn?

Aquatic invertebrate identification and collecting techniques
Basic limnology principles
Lake and stream ecology
Water quality testing procedures
How to interpret water quality data
Environmental curriculum and classroom activities

Cost for the workshop is \$20.

Workshop materials, meals, and lodging provided.

Teachers can earn 2 Continuing Education Credit Units, and undergraduate or graduate students can earn 1 Credit Hour upon completion of all requirements and payment of credit fees.

The workshop will be held on the campus of Lutheran Outdoor's NeSoDak Environmental Learning Center located on beautiful Enemy Swim Lake north of Wau-bay, SD. NeSoDak Bible Camp is known for it's ex-cel-lent food, facilities, and hospitality! Participants re-quiring overnight lodging will stay in a modern lodge complete with shower facilities, comfortable beds, and wi-fi!

Workshop at-tendees can par-ticipate in after hours activities including fishing, kayaking, and sight-seeing.

Sponsored by:
Prairie Coteau Watershed Project &
South Dakota Discovery Center

Funding for this workshop is provided by an EPA 319 Clean Water Information and Education Grant from the South Dakota Department of Agriculture and Natural Resources.
